*Please take this declaration and the copies of the identity cards/passports of the parents/legal guardian to the ship.*

Please note that for under-age children travelling without their parents or custodians, and who are of different nationality than the persons accompanying them (e. g. grandparents), further provisions in addition to a written consent may apply. For example, for some countries you may require an official confirmation of the written consent.

Therefore we advise you to find out about such regulations in due time for all countries visited during the cruise, e.g. on the website of the Federal Foreign Office. Otherwise you may encounter problems or may not even be allowed to embark on the ship.
